

2023-2024 Supply List – FOURTH GRADE

Parents often wonder about what kinds of supplies they should buy for the school year. What follows is a suggested supply list that can be used as a **guide** for September school shopping. **Make sure that your child's name and grade are permanently marked on all supplies.**

Backpacks K-5: Smaller backpacks are more advantageous for young students. A larger backpack encourages students to carry too much weight. Generally students K-2 only need room for a planner and folder. Grades 3-5 only need room for a few smaller books. **We discourage the use of wheeled backpacks.**

Snacks K-5: Students are given a small amount of time for a snack each day. We plan to continue this practice next year with the following parameters: Snacks must be small, easily opened, and nutritious (fruit, vegetables, crackers, pretzels, etc.). Soda is NOT permitted. Bagged juices are discouraged. No microwave facilities are available.

Devices: The South Brunswick Schools will continue its 1:1 use of personal device program when we return in September. Each student in grades 2 through 12 is to bring a district issued device or personal device to school for use each day, and the charger.

If needed, you may borrow a district issued Chromebook by contacting the school. There is a \$35 insurance fee to cover the costs of accidental damage. Students may also bring their personal device each day.
