

Dear Parent/Guardian,

Welcome to the 2020-20201 school year! I don't think any of us could have ever imagined that this is how the year would begin, but that hasn't stopped our team from working hard to keep mealtime a bright spot in a student's day. Our team has been working collaboratively with the district to determine what plans will fit best with each school and the instructional activities. For Chartwells and South Brunswick, this means distant learning and remote feeding.

Meal service will begin on **Tuesday September 8, 2020** and will be provided only on days learning instruction is provided.

Meals will be delivered directly to designated pick up locations.
